Ah well, if this works, it will be a great asset against the Arethusa...
Hmm, it's been a while since we've used a real battle as a trial.
WE'RE GOING AFTER THE ARETHUSA!
SHIFT PLATOON FORMATION FROM ALPHA TO A. WE LEAVE IN 3 HOURS.

.....
!!!
Good morning Mister.
Looks like you had a nice dream.

What?
.....
...You two are interesting.
Whenever I wake up, you've always been awake somewhat earlier.
You're both always holding weapons,
It's been a habit of ours for a long time.
...interesting...

And you always sleep like you're dead
You think you won't die even if someone tries to kill you or something?
...Looks like it's about time. Get into position.
You know what you have to do, don't you?
Haah, you unsociable bastard.
His personality is the exact opposite of yours, but nonetheless, you two are certainly of the same kind.

But make no mistake.
It's just that for now, we're in this together.
If the higher ups would just give the order, I could think of a hundred ways to kill it.
Humph
OUR TARGET THIS TIME IS THE ARETHUSA.

Oh... I see ...

Sorry, but I don't have any candy to give you!

So I harden them and bind them together.
Yours seems to be growing quite slowly for some reason, but...

I don't need someone like you to tell me about that...

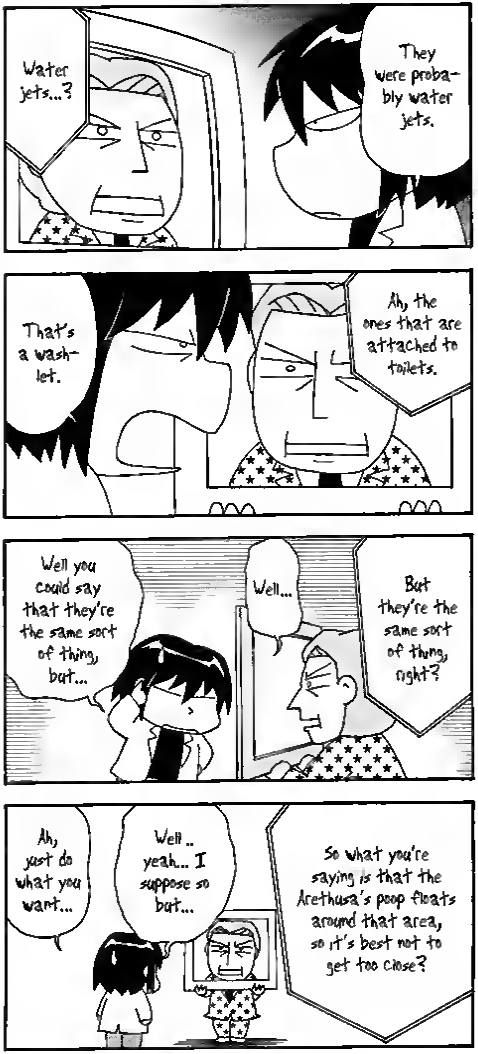
That's not good enough!
I'm sorry captain, but I can't listen to your orders now.

Please...!
But if you're going to blow me up, do it after everything is over.
That is your limit.
You have two hours. You've already lost the bike, so if you waste any more time, you won't be able to catch up to the Arethusa.
...Very well.



Water jets...?
They were probably water jets.
That's a washlet.
Ah, the ones that are attached to toilets.
Well you could say that they're the same sort of thing, but...
Well...
But they're the same sort of thing, right?
Ah, just do what you want...
Well.. yeah... I suppose so but...
So what you're saying is that the Arethusa's poop floats around that area, so it's best not to get too close?

Stupid assistant
Again

I could hear the sound of a gunshot... he probably hasn't killed her yet, but that's not something I know.
WHAT HAVE YOU DONE WITH DINA?!
Be careful, the fact that they haven't exploited their hostage means they definitely plan to kill you now.
